

CITY PHOTO CLUB PROGRAMME 2025-2026

2nd September	Welcome to the 9th Season of City Photo Club - who are we? What do we do? How to Belong - Learn - Advance with like-minded photographers and image makers. Say hello and start your journey with us or welcome back for Season 9! Summer images - lets start the new season with a look back over the summer and look at some of your images taken on our trips out.	Welcome to the 9th season of the club and hello to any new prospective members. We'd love to see you there and we want you to get involved! There will also be a run through of the programme for the season and any competitions we are hoping to enter. Submit your photos (1 week before) via the club website page using the "Other Image Requests" to share or ask for advice.
16th September	Filters	Practical Evening so bring your camera and tripod together with any filters you may have. The Club also have some available to use - some come along and give it a try. Post your best images on the Facebook Group
